**'Care givers'**  
need your support

# On Campus Residences for Caregivers

Seva Bharathi's health, education, livelihood and response programmes bring lasting change in the lives and livelihoods of Divyang , Visually Impaired Kids, Endosulphan Victims & Autism Spectrum disorder children. It is our Teachers, Trainers and Volunteers whose affectionate care, personal attention to children and selfless service, are the prime drivers for this impact to the society since inception.

With 30 years of relentless service to mankind, Seva Bharathi is now all set to expand its operations. The new "Residential Campus for Divyangs" is taking shape at the 6 acres land at Madhava Vana, Montepadav, Bantwal Taluk. Infosys Foundation has come forward to build the main block consisting of Class Rooms, Training Facilities, Auditorium, Dining Hall, Student Hostel, Vocational Training Centre, Physiotherapy and other allied units.

This project aims at accommodating and providing care to the Divyang whose parents can not take care of them. Hence, It is imperative to house all important staff members such as Teachers, Trainers and other care-givers on campus.

Therefore a Residential Block consisting of 21 studio apartments of 550 sq.ft. each has been planned to be built adjacent to the main block with in the campus. Each abode of Caregivers is estimated to cost Rs. 10.00 lakhs.

**This is our earnest appeal to you to donate for building of the Staff Quarters Block and help us to house the care givers on campus. Benevolent donors donating Rs. 5.00 lakh would be recognised as the sponsor of an abode.**

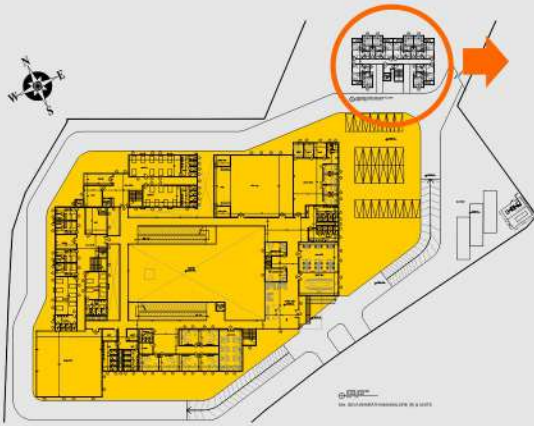

## MADHAVA VANA

The 6 Acres land amidst the lush greenery of Montepadav village, 22 Kms from Mangaluru is a gift bestowed by Late Dr. Madhav Kamath for the cause of Divyang.

The majestic "Infosys Foundation - Seva Bharathi Campus for Divyang" is being built at the cost of Rs. 14.04 Crores, fully sponsored by Infosys Foundation, Bengaluru as a CSR project of Infosys Ltd.

The "Madhava Vana" will also be a home for rare and endangered species of trees endemic to western ghats region.

Proposed  
**Staff Quarters Block**  
 at Montepadav Campus

**OUR CAREGIVERS IN SERVICE**

# SEVA BHARATHI (R.)

MANGALURU
